Networking Your Way to a Job!

Laurie Sein, MBA – Director of Career Services at Devry University

Ease your anxiety and resistance to networking – it’s all about being genuine, getting to know someone new and developing a partnership. It’s NOT about selling yourself or asking for favors. Sounds easy, right? Attending this presentation will give you the do’s and don’t’s of networking and provide tips to make networking a part of your daily life / work routine!

2:00 PM

Stop Waiting on the Job and Create Your Own!

Garret Acott of The Tempered Group

Garret Acott of The Tempered Group will be delivering an inspiring presentation that calls for a needed mind shift in both today’s companies and workforce, one that gets people thinking outside-the-box. His primary message? Stop waiting on the job and create your own. His delivery is ‘in your face’ and hard-hitting. But unlike many who will tell you that you need to change, Mr. Acott actually tells you how to, and provides FREE resources that he has created to help make the transition from an unemployed job seeker to a self-income generator.
